ENGLISH

I came to New Orleans right after I graduated from my high school. At the beginning, I was very nervous because everything was new and there was no one from my country. However, all the staff at IELP were very friendly, and they helped me a lot even with the problems from outside of the class. Classrooms were always very diverse with students from all over the world. I made friends from many different countries and learned different cultures from them, which expanded my view of the world. Most importantly, the time I spent at IELP has been very helpful for being successful in the university classes.

私は、高校卒業後すぐに、ニューオーリンズに来ました。初めは、全てが新しく、日本人が一人もいない中、とても緊張していました。しかし、IELPの先生方はとても親しみやすく、クラス外のことでもたくさん手助けをしてくれました。クラスはいつも違う国の生徒達に囲まれていました。彼らと友達になりたくさんの違う文化も学ぶことによって、私にとっての世界が大きく広がりました。そして何より、IELPで学んだことは大学の授業を受ける上でとても役にたっています。
